TENANT SELECTION PLAN

Revised: 03/21/08

We do not discriminate on the basis of disability status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

Low-income subsidies are provided by the U.S. Department of Housing and Urban Development (“HUD”) pursuant to the Section 811 Project Rental Assistance Contract program.

3. Procedures for Accepting Applications and Selecting From the Wait List

All inquiries and applications shall be routed through PHC Property Management’s central office located at 5312 NE 148th Avenue, Portland, OR 97230. All flyers, publications, and referral contacts will cite the contact information for the central office: local telephone (503) 261-1266; toll-free telephone (800) 874-7917; TTY (503) 408-3036; Internet www.phcnw.com. On-site managers and other property management staff shall route all inquiries through the central office.

Applicants expressing an interest in Halsey Terrace may obtain a Wait List Application package in person at the central office, or may request a package be mailed to them. The package consists of the Wait List Application for HUD Subsidized Housing, which includes property address, number of bedrooms and income limitation information, and a Summary of Tenant Criteria HUD Section 811.

PHC Property Management does not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

- ***Procedures for Accepting Applications and Pre-applications (“Wait List Applications”)***

A Wait List is maintained for Halsey Terrace. An applicant must submit a completed “Wait List Application for HUD Subsidized Housing for People with Disabilities”. All Wait List Applications will be date-and-time stamped upon receipt at management’s central office. A Wait List application will be evaluated by Management to determine if, preliminarily, eligibility criteria have been met (e.g., income, self-certified disability status), and if the application has been completely filed. Applications completely filed and meeting the eligibility requirements will be placed on the wait list in the order received. The application will be signed by Management and “Approved” will be indicated. A Wait List Application that is incomplete or does not meet the eligibility requirements will be rejected, marked “Denied” with the reason for denial indicated, and not placed on the wait list. In the event that an applicant is rejected, the applicant will receive written notification of the rejection, and will also be notified that they shall have fourteen (14) days from the date of the notification to respond in writing, or request a meeting, to discuss the rejection. Responses may be directed to Property Manager, PHC Property Management, 5312 NE 148th Avenue, Portland, OR 97230. When an applicant is rejected, more detailed information concerning appeal rights will be furnished at the time of the rejection.

Information from an approved applicant’s Wait List Application will be entered on the Wait List. Data entered includes: applicant name, applicant address, applicant phone number and number of bedrooms requested, requests for unit accommodations, and extremely low income designation (if applicable).

- ***Wait List Procedures:***

An applicant’s position on the waiting list is determined by the date on which the Wait List application is received at Management’s central office. Acceptance to the Wait List does not guarantee eligibility for a unit. Further screening, as described in the “Applicant Screening” section of this Plan, will be conducted prior to the time that a unit is offered to the applicant.

An applicant *must* contact Management’s central office at least once every six (6) months in order to remain on the Wait List. This ensures that the Wait List is comprised of interested applicants and reduces the time required to place an applicant into housing.

PHC Property Management does not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

Applicants will be selected from the general Wait List (for applicants) or from the Transfer Wait List (for current tenants) using the following priority schedule:

- 1) Administrative transfers for current tenants
- 2) Medical transfers for current tenants
- 3) Applicant requiring modified unit
- 4) Non-administrative, non-medical transfer for current tenants
- 5) Applicant not requiring modified unit

Administrative transfers correct occupancy standards problems. These transfers will take priority over new admissions or transfers of current tenants. Administrative transfers will be made if the household size is so small that it includes fewer persons than the number of bedrooms, or so large that the household members over age two (2) would equal more than two (2) persons per bedroom.

When a unit becomes vacant, or is anticipated to become vacant by way of tenant notification, Management will determine if the unit is designated as a modified unit. If it is, the tenant at the top of the Medical Transfer Wait List will be selected for the unit. If there is no Medical Transfer tenant on a wait list, the applicant in the highest position on the general Wait List who has requested a modified unit will be selected.

When a unit not designated as a modified unit becomes vacant, or is anticipated to become vacant by way of tenant notification, Management will review the Transfer Wait List for the property for approved transfer requests and select the tenant in the top position for transfer.

When a unit not designated as a modified unit becomes vacant, or is anticipated to become vacant by way of tenant notification, and there are no tenants on the Transfer Wait List, Management will contact the applicant at, or near, the top of the general Wait List. (Note: Although applicants *near* the top of the Wait List may be contacted, placement into units will be based upon the order that the original Wait List applications were received.) The applicant will be sent a Housing Application Package, consisting of a “Housing Application” and a “Questionnaire of Assets and Income” to begin the verification process. The applicant at, or near, the top of the Wait List has forty-eight (48) hours from receipt of a phone call or, if notified by letter, five (5) business days from date of mailing, to notify the central office of their intention to accept or reject the offered unit. An applicant will be removed from the Wait List if mail is returned due to incorrect mailing information or if a telephone number is disconnected or incorrect. Any deviation from these

procedures must be approved in writing by the Property Manager or his/her supervisor.

An applicant who refuses a unit due to medically necessary reasons will not lose his or her place on the Wait List. In such a circumstance, Management will request that the applicant provide a completed “Reasonable Accommodation” form (available upon request) indicating that the refusal was due to a medically necessary reason. Otherwise, any applicant who is offered a unit and refuses a second time will be removed from the Wait List. The individual may reapply at any time. However their position on the Wait List will be determined by the date their most recent application is submitted.

- ***Removing Applicants from the Wait List:***

To ensure vacant units are filled in a timely manner, Management requires a Wait List that is accurate and reasonably represents interested applicants. While each applicant must keep Management apprised of changes in address, phone number, income or other circumstances which may affect eligibility every six (6) months, no applicant shall be removed from the Wait List except when one of the following situations occurs:

- The applicant receives and accepts an offer of housing.
- The applicant requests removal from the Wait List.
- The applicant is rejected due to failure to meet eligibility or screening criteria.
- Management was unable to contact the applicant, as noted in the “*Wait List Procedures*” section, above.
- The applicant refuses an offer of a unit for the second time.
- The applicant does not contact Management at least once every six (6) months.

Applicant Screening Criteria (no screening fee charged to applicant):

- ***Rental History Screening will include:***

Previous positive verifiable rental history from a third party reference, *if* applicant has prior rental experience.

PHC Property Management does not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

Three years of eviction free rental history is required. Evictions processed as a result of non-payment of rent may be excluded if the rent charged was greater than 50% of the monthly household income. Any household containing a member who was evicted within the last 3 years from federally assisted housing for drug-related criminal activity will be denied.

Rental history demonstrating documented noise or other disturbance complaints where former landlord would not re-rent will result in denial.

Four or more 72-hour notices within a period of 1 year will result in denial.

Rental history reflecting past due rent or damages exceeding \$200 will result in denial, unless the debt is settled and the landlord would re-rent.

- ***Credit History Screening will include:***

A consumer credit report will be obtained. Eleven (11) or more unpaid collections (not medically related) reported by the credit bureau will result in denial of the application.

A discharged bankruptcy listed on a credit report is acceptable. However, any subsequent negative credit history (not medically related) will result in denial of the application.

- ***Criminal Background/Eviction Screening will include:***

A review of criminal records for crimes where the date of disposition, release or parole occurs within the seven (7) year period prior to the application date or date of screening, whichever is later. A conviction, guilty plea or no-contest plea for any of the following shall be grounds for denial of the application:

- Any felony involving serious injury, death, kidnapping, rape, sex crimes and/or child sex crimes, arson, extensive property damage or drug-related offenses (sale, manufacture, delivery or possession with intent to sell) where the date of disposition, release or parole have occurred within the prior seven (7) years; or
- Current registration as a sex offender, any felony conviction involving any type of

sexual offense; or

- Any other felony, or a misdemeanor(s) involving arson, assault, intimidation, sex crimes, weapons charges or drug-related offenses (sale, manufacture, delivery or possession with intent to sell) where the date of disposition, release or parole have occurred within the prior three (3) years; or
- Any misdemeanor involving theft, dishonesty, prostitution, obscenity and related violations (ORS 167.060 through 167-100) where the date of disposition, release or parole has occurred within the prior eighteen (18) months.

Pending charges for any of the above will result in a suspension of the application process until the charges are resolved. Upon resolution, if the applicant was found not guilty, the application process will resume. No unit will be held while resolution of the charge(s) is pending.

Additionally, the following screening criteria shall also prohibit admission of an applicant or household member:

:

- Any household containing a member(s) that has been evicted from federally assisted housing for drug-related criminal activity, unless that person has successfully completed an approved, supervised drug rehabilitation program, or the circumstances leading to the eviction no longer exist (e.g., the household member no longer resides with the applicant household).
- A household in which any member is currently engaged in illegal use of drugs or for which the owner has reasonable cause to believe that a member's illegal use or pattern of illegal use of a drug may interfere with the health, safety and right to peaceful enjoyment of the property by other residents.
- Any household member if there is reasonable cause to believe that member's behavior, from abuse or pattern of abuse of alcohol may interfere with the health, safety and right to peaceful enjoyment of the property by other residents

- ***Procedures for rejecting ineligible applicants:***

PHC Property Management does not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

Once the applicant screening process has been completed and all materials have been evaluated, any application not meeting the above requirements will be rejected. In the event that an applicant is rejected, the applicant will receive written notification, which will include the reason for the rejection.

The applicant shall have fourteen (14) days from the date of the Management notification to respond in writing or to request a meeting to discuss the rejection. Persons with disabilities have the right to request reasonable accommodations to participate in the appeal process. Responses may be directed to Property Manager, PHC Property Management, 5312 NE 148th Avenue, Portland, OR 97230. When an applicant is rejected, more detailed information concerning appeal rights will be furnished at the time of rejection. If an applicant does not appeal the rejection of the application, or if an applicant's appeal is denied, the applicant will be removed from the Wait List.

4. Occupancy Standards:

Occupancy is based upon the number of bedrooms in a unit. A maximum of two (2) persons are allowed per bedroom. See the exception for children under the age of two (2), noted below. Residents will be required to meet the following State and HUD standards for occupancy (information regarding occupant status will be verified):

	Household Members	
	Min.	Max.*
1 bedroom	1	2
2 bedroom	2	4

*** Note: A child under the age of two (2) is allowed as a third occupant of a bedroom provided that the child is living with his/her parents or other adult(s) having legal custody of that child.**

5. Unit Transfer Policies:

In order to enhance resident satisfaction and to promote stable, long-term tenancy, PHC Property Management has established a Transfer Policy to provide a fair and consistent system to grant tenant requests to transfer to a unit within the property of residence.

Tenants may request to transfer to another Halsey Terrace unit. Tenants will be responsible for providing all information and documentation which may be required.

Due to the administrative effort incurred by PHC Property Management to facilitate a transfer, the following tenant qualifications are established for granting requests to transfer:

- Tenant must submit to management a written request to transfer to another unit on a PHC Transfer Request form.
- Tenant must have lived in the current unit for at least one (1) year.
- Tenant must have at least the last three (3) consecutive months, prior to the date of the request, with no 72-hour notices. Additionally, any 72-hour notice issued after receipt of the Transfer Request form will void the request.
- Tenant must have demonstrated acceptable housekeeping and must have caused no damage to the unit currently occupied. Normal wear and tear to the unit is excluded. Tenant must allow Management to inspect the current unit prior to a decision regarding the transfer request.
- Tenant must be in good standing with the Rules and Regulations of the property, and must not have any documented complaints arising from Management and fellow tenants.
- Tenant must qualify for the unit they wish to transfer to (occupancy policy, etc.).

PHC Property Management does not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

- Tenant must pay any and all outstanding charges on their account (late fees, maintenance/damage charges, etc.) prior to approval of the transfer request.
- Tenant will pay a new deposit for the unit they are transferring into and will receive a refund of the deposit for the unit vacated. The deposit refund may be reduced by outstanding charges due Management pursuant to move-out procedures contained in the Rental Agreement.
- Tenants requesting a transfer for medical reasons must complete a Reasonable Accommodation Request, available from the Management, signed by an appropriate treatment professional describing the medical reasons for the request.

Transfer Process:

The tenant will submit a written request using the PHC Property Management “Unit Transfer Request” form. The submission will be date stamped upon receipt at the PHC main office.

Management will review the “Unit Transfer Request” form to determine whether or not the tenant qualifies for the transfer according to the policy. Each qualifying factor will be initialed by the member of Management performing the review.

If the tenant qualifies for the transfer in accordance with policy, Management will submit the completed Unit Transfer Request to the Property Manager for final review and approval. Upon Property Manager approval, the tenant will be notified in writing and placed on the Transfer Wait List in the order of date of approval. The process from the time Unit Transfer Requests are received to the time the tenant is notified in writing regarding the approval or denial of the request will take no longer than thirty (30) days.

If the transfer request is denied, the tenant may submit a written appeal to the Property Manager, who will review the appeal with his/her supervisor. Appeals will be processed and the tenant will be notified in writing of remedies or corrective actions, if any are available, within fifteen (15) days of receipt of the appeal.

PHC Property Management does not discriminate on the basis of handicapped status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.
